

## INSTITUTE OF SOCIAL SCIENCES

We prioritize to enrich theoretical background with courses, treatises and projects in the schedule, produce solutions to potential problems in today's social life, and contribute to scientific life with preparing qualified academics.

As an Institution of Social Sciences, our aim is to play a guiding role in the issues directly related to social sphere by conducting scientific researches, to render scientific studies a necessary part of the social life and to highly contribute to social, scientific and business life both theoretically and practically.

The mission of the institute is to improve co-operations between universities with international programs and to lead the studies between the subjects. We intend to be a research and education institution which is well-recognized, trustable and prestigious.

- Turkish Language and Literature (M.A., Ph.D.)
